Faithful to the Faith

Planning for the future

An opportunity to further develop and expand the ministry of Camp Imadene has presented itself.

In response to this opportunity, a **Property Acquisition Fund** has been established.

We know that future change on Mesachie Lake is inevitable. We desire for Camp Imadene to have control of as much of this change as possible.

The Mountain

The current initiative is to purchase 160 acres, including 7000 feet of waterfront.

Property includes the south side of Mesachie Mountain and adjoining properties.

With your help and the Lord's blessing, our goal is to raise \$2.2 million.

Can you Imagine?

How to help

We are asking for your partnership in any or all of the following three ways.

1. **Prayer** - For God's direction, timing, and provision.
2. **Finances** - We need financial commitments from our supporters in the form of gifts, no-interest loans, or low-interest loans.
3. **Networking** - Spread the word as we seek to acquire this beautiful property. You may know of an individual or business who can assist us. Please let us know or direct them to the contact information provided.

By October 31, 2009 the Imadene Foundation must have sufficient financing in place to demonstrate our commitment to purchase this strategically important property.
